

# Help out

There are several ways in which you can help:

- Become a member of DEVA Europe
- Become a donating member
- Sponsor a child through the CEP Program
- Make a donation

Also, if you are planning a trip to Varanasi, why not spend a few days at Panchakot House? You can even participate in our volunteer groups. But if you are thinking about bringing gifts for the children, please read this advice.

## **Become a member of DEVA Europe: Send 30€ for the current year**

This sum will contribute to operating costs for the direction committee.

For details, please see our [payment page](#).

We thank you; this gesture of moral and financial support will contribute to our development.

## **Sponsor a child by CEP**

Arrange with your bank for a monthly transfer of 30€ a month to the references given on our payment page. (You can also do this via [Helloasso](#).)

To become a foster parent, please print [this page](#), fill it out and sign it, and return it to us.

# Donations

We need your financial support. Our organization can only function thanks to your generosity and your motivation.

Each donor, from the most modest to the biggest, is equally important to us.

For a one-time donation, send a check with your full name, address, telephone number and e-mail address and, if you so wish, a letter explaining the reason for your donation and any possible special wishes for your contribution to the address given on our [payment page](#). Or use Helloasso from the [payment page](#).

## Come and visit us in Varanasi

First of all, we invite you to come visit our center in Varanasi so that you will meet the people who are working with us and get a personal feeling for what we are doing. There are hotels available in the city for all budgets, from the simplest to the most luxury-style hotels. If you need help, please contact us.

Once in Varanasi, give us a call and we will come and pick you up at your hotel if we are available.
